RAMÓN BILBAO 2006 Reserva

89 POINTS

The 2006 Reserva is a blend of 90% Tempranillo along with small amounts of Graciano and Mazuelo that spent 22 months in American oak. Wood smoke, Asian spices, incense, a hint of balsamic, and black fruit elements compose the wine's alluring bouquet. Savory, ripe, smooth-textured, and elegant, this nicely balanced red is likely to evolve for another 1-2 years and will deliver enjoyment now through 2021.
