HOBNOB 2008 PINOT NOIR
SILVER MEDAL

SIERRE, SWITZERLAND / SEPTEMBER 2009

In a highly-acclaimed blind tasting, we have received a Silver Medal for the Hob Nob 2008 Pinot Noir from the International '09 Pinot Noir competition held in Switzerland. This is an excellent accolade, especially when we know that we share this honor with well-known Burgundy appellations who have also received a Silver Medal, including Mercurey, Richebourt, Corton, Gevrey Chambertin and Pommard, Beaune.

2008 Hob Nob Pinot Noir vintage released October 2009
