## 17 California Cabernets

Great Cabernets and blends from all over the Golden State, with some excellent values

by James Laube

### Atlas Peak 2005 Cabernet Sauvignon Mount Veeder

**89** POINTS

“Supple and harmonious, this full-bodied red has rich tiers of spice, currant, plum and black cherry, picking up a nice cedary tobacco edge and ending with a persistent, lingering finish. Drink now through 2017.”
