RAMÓN BILBAO 2004 GRAN RESERVA

90 POINTS

“Dark ruby-colored, it exhibits an already complex bouquet of Asian spices, incense, cedar, leather, and black cherry. On the palate it is medium to full-bodied with loads of savory, ripe black fruit, excellent volume, and outstanding concentration. It will continue to blossom for another 2-3 years and offer a drinking window extending from 2012 - 2024.”
