RAMÓN BILBAO 2006 MIRTO

92+ POINTS

“A glass-coating opaque purple color, it offers a brooding bouquet of pain grille, espresso, licorice, lavender, and blackberry. On the palate it has layers of fruit bordering on opulent with outstanding volume and concentration. This dense, lengthy effort has 4-6 years of aging potential and will be at its best from 2014 - 2026.”
