SAUVIGNON BLANC

CALIFORNIA

Featured in

TEN WINES THAT WOW UNDER TEN DOLLARS

by **TINA DANZE** — *Special Contributor to* **dallasnews.com**

“There’s a reason why this popular wine lands on so many restaurant wine lists. “It’s a well-made, classic style of California sauvignon blanc,” said James Tidwell*. Juicy citrus and tropical fruit flavors are backed by bright acidity. It’s blessedly devoid of the grassy flavors that dominate some sauvignon blancs. \$9.99; widely available.”
