## GEORGES DUBCEUF 2008 MOULIN-à-VENT DOMAINE des ROSIERS

“The 2008 Moulin-à-Vent Domaine des Rosiers suggests chocolate-covered raspberries and richly coats the palate while retaining enough freshness to both complement its glossy, creamy texture and keeps its sheer sweetness of fruit from veering into the confection. There is a distinct note of wood but it is well integrated and does not disturb the fruit in a long finish.”
