SONOMA VALLEY

**87**  
POINTS

"Clean and confident black-berry fruit is the mainstay of this open and very likable Zin, and, if fairly ripe, the wine is never overly so, and it avoids any missteps vis-a-vis coarsness or heat. It tightens up at the back end, with last-minute acidity making itself known, and, while it will drink well with tomato-based stews in the short term, it will certainly benefit greatly if allowed a few years of soothing."
