## 2006 MOULIN-À-VENT CARQUELIN

90  
POINTS

WINEENTHUSIAST  
MAGAZINE

Roger Voss  
NOVEMBER 2009

imported by W.J. Dauterch & Sons, Ltd. / Harrison, NY / wjdautech.com

“The richness and structure of 2006 are evident in this wine, which has some spicy wood character as well as bouncy red fruits and soft tannins. The acidity and the wood need another month or two to properly come together. But this is certainly superior Beaujolais.”
