

Here at [yellow tail][®] we believe that great quality wine can be affordable and great fun too. That's why all the wines we make are vibrant and approachable, and that's what drives our pioneering spirit and our determination to make our own rules. All the wine [yellow tail][®] makes is instantly recognizable, both for its appearance and its personality. The following tasting note is designed to give you an insight into [yellow tail][®]. But, if you want to cut to the chase, it's simple. Drink [yellow tail][®], enjoy it, share it, sip it. And, while it is seriously good wine, don't get too serious about it.

CHARDONNAY

[yellow tail][®] Chardonnay is made with grapes sourced from the highest quality vineyards. The fruit is gently pressed to retain maximum freshness and flavor. We allow our Chardonnay a brief period in contact with oak and then bottle the wines on the estate, keeping a watchful eye on the whole process from start to finish.

REGION

South Eastern Australia

ANALYSIS

Alc: 13.5%, pH: 3.3%, TA: 6.5 g/L, RS: 8 g/L

FLAVOR

[yellow tail][®] Chardonnay has a distinctive nose that leaps from the glass and displays a lovely tropical fruit aroma. The wine is silky smooth and easy to drink, with a rich, creamy finish.

ENJOY

[yellow tail][®] Chardonnay is perfect for pairing with good friends and your favorite chicken or pasta.
