

Here at [yellow tail][®] we believe that great quality wine can be affordable and great fun too. That's why all the wines we make are vibrant and approachable, and that's what drives our pioneering spirit and our determination to make our own rules. All the wine [yellow tail][®] makes is instantly recognizable, both for its appearance and its personality. The following tasting note is designed to give you an insight into [yellow tail][®]. But, if you want to cut to the chase, it's simple. Drink [yellow tail][®], enjoy it, share it, sip it. And, while it is seriously good wine, don't get too serious about it.

SAUVIGNON BLANC

[yellow tail][®] Sauvignon Blanc is made with grapes sourced from high quality vineyards. The grapes are harvested at night to ensure the fruit retains maximum freshness and flavor. Only free run juice is used after crushing and once fermentation is complete, the wine is stabilized, clarified and bottled on the Estate.

REGION

South Eastern Australia (86%), New Zealand (14%),

ANALYSIS

Alc: 12.0%, pH: 3.3%, TA: 7.2 g/L, RS: 4.5 g/L

FLAVOR

[yellow tail][®] Sauvignon Blanc is pale straw in color with vibrant citrus, passion fruit and fresh grassy scents on the nose and a tantalizing palate of limes, tropical fruit and green apples. The lengthy finish shows good depth of flavor with crisp, refreshing acidity.

ENJOY

[yellow tail][®] Sauvignon Blanc is a perfect partner with good friends and your favorite seafood dish.
