The following tasting note is designed to give you an insight into [ yellow tail ]<sup>®</sup>. But, if you want to cut to the chase, it's simple. Drink [ yellow tail ]<sup>®</sup>, enjoy it, share it, sip it. And, while it is seriously good wine, don't get too serious about it.

## SHIRAZ CABERNET

[ yellow tail ]<sup>®</sup> Shiraz Cabernet is made with grapes sourced from the highest quality vineyards. The grapes are fermented on their skins, in contact with oak to add even more depth to the wine. Temperatures are kept high to ensure that we get the maximum color and tannin from those treasured grape skins. Finally, we bottle [ yellow tail ]<sup>®</sup> Shiraz Cabernet on the estate, keeping a watchful eye on the whole process from start to finish.

## REGION

South Eastern Australia

## ANALYSIS

Alc: 13.5%, pH: 3.4%, TA: 6 g/L, RS: 10 g/L

## FLAVOR

[ yellow tail ]<sup>®</sup> Shiraz Cabernet is a classic Australian blend of Shiraz and Cabernet Sauvignon that displays rich plum, cassis and raspberry aromas. Subtle mint and chocolate notes are complemented by vanilla oak. This stunning wine is bursting with red berry flavors and soft, round tannins.

## ENJOY

[ yellow tail ]<sup>®</sup> Shiraz Cabernet is a perfect match with your favorite pasta dish and some good conversation.
